The Vineyard Network

The Vineyard Network: Building Community Through Service

The Vineyard Network, is a sister organization of The Mission, it is designed as Christian Service & Resource Network, to help and serve the world in both a global and local capacity. It offers a *participative missional and ministry* service opportunities.

The Incubator program supports missional and ministerial work, as well as avenues to reach out to a global population utilizing on-line training & educational technologies.

Funding for Missional activity is supported by and supports a social entrepreneurial model; whereby, stand alone businesses provide support to missional and ministerial work.

Working in the Vineyard

What does it mean to work in our Lord's vineyard? How can we best do this? Do we show up as unskilled laborers, or as skilled laborers taught in the doctrine of truth found in his Word?

Service opportunities go hand in hand with individual spiritual growth, balancing in depth spiritual practice with service keeps us from becoming to self absorbed in our introspection. At the same time practicing other spiritual disciplines amidst acts of service give us much needed perspective, guidance and objectivity in the midst of activity.

He who is faithful in a very little is faithful also in much. Luke 16:10
